A prestigious Grade II listed three storey building providing office space of 2,150 sq. ft situated in a prominent busy arterial road location. The building stands opposite to the Castle grounds within an area of mixed commerce including offices, shops and restaurants. Contract parking space is available within the vicinity and the property is just a short walking distance from Newark Northgate and Castle railway stations. The property is well maintained, nicely decorated and central heating is gas fired.

The ground floor provides a reception office with front display window, back office, meeting room, kitchen and five individual offices. The first floor provides two main offices in the property frontage, a filing room, two offices and a secretary's room. There are two sizeable attic rooms with windows capable of renovation to provide additional office space. The property has extensive dry basement storage accommodation.

Externally there is a small walled rear yard area. The arterial road locations in Newark have become increasingly popular offering great prominence and significant footfall.

Newark on Trent is a thriving market town with a good range of facilities and amenities including national and local retailers, supermarkets, banks, a fine Georgian market place, restaurants, bars and cafes. The town population is circa 30,000 approximately with a catchment area providing a further 113,000 population. The town is placed centrally in the UK and well located for access to the A1 and A46 trunk roads. Newark on Trent is on the main LNER railway line with services to London and Edinburgh. Journey times between Newark Northgate and London King's Cross are just over 75 minutes. There are also railway services to Lincoln and Nottingham.
