Located in the desirable village of Kensworth on the borders of Bedfordshire and Hertfordshire, this idyllic cottage offers a driveway to the front for approximately five vehicles and the property boasts a large plot with the potential to extend or possibly to build an individual dwelling (STPP).

Household Estate Agents invite you to view this truly rarely available, Grade II Listed, end-terraced cottage in which the current owners managed to acquire an additional piece of land adjacent to the property (the land is offered on a separate title) creating a larger than average plot for similar properties.

Lynch Hill is just a short drive from Junction 9 of the M1 Motorway and also into Dunstable Town centre with access to the Guided Busway with direct links to Luton Train Station and London Luton Airport. There are multiple sought after villages nearby such as Studham, Markyate and Caddington as well as additional Towns such as Berkhamsted and Hemel Hempstead offering a wealth of local amenities.

The accommodation comprises of living/dining room, inner hallway, bathroom, kitchen, first-floor landing and two bedrooms. The gardens to the side and rear consist of a paved patio, pebbled and lawn areas with a wooden outbuilding and additional log cabin. The plot has been opened, cleared and used as one large garden currently.

This property would be perfect for an array of prospective purchasers including families due to the excellent schooling nearby such as Kensworth C of E Primary and Manshead School (Secondary).
