Mill Cottage Westmill Road

Ware, SG12 0ET

With origins dating back over 200 years, Mill Cottage is a charming detached character residence set on a plot of just over a third of an acre, offering picturesque countryside views. A particularly special feature is its extensive river frontage along the River Rib, creating a tranquil setting while remaining equidistant from the historic market towns of Hertford and Ware, both of which offer mainline rail services into London.

The property is rich in period features, with exposed beams and brickwork throughout its four-bedroom accommodation. The ground floor includes two generous reception rooms, both featuring striking fireplaces, a well-appointed kitchen with an Aga-style range, a shower room, and a first-floor family bathroom. Most rooms benefit from stunning views over the beautifully maintained gardens, open countryside, or the woodland beyond.
