Guide Price £1,250,000

53 Walton Road

Ware, SG12 9PF

PLANNING PERMISSION GRANTED FOR TWO 5 BEDROOM DETACHED HOMES 3,610 SQFT EACH.

Prime Development Opportunity with Existing Four-Bedroom Home – South Side of Ware

Situated in a highly sought-after position on the south side of Ware, just under a mile from the town centre and mainline train station, this unique offering presents a rare opportunity to acquire a substantial plot with development potential.

The site, extending to just under one-third of an acre, currently hosts a well-proportioned four-bedroom detached house with versatile accommodation. The existing residence features four generous reception rooms, two bathrooms, and a garage, with a spacious driveway providing ample off-street parking.

Planning potential exists for the construction of two five-bedroom detached houses, making this a highly attractive proposition for developers or investors looking to capitalise on the plot's premium location and size (subject to relevant planning consents).

Set within a desirable residential area, this property combines the appeal of immediate liveability with excellent scope for future development – all within easy reach of Ware's excellent transport links, schools, shops, and amenities.
