Tenure, Possession and Boundaries

The property is Freehold with vacant possession upon completion. The eastern boundary is presently denoted by wooden posts. This will be replaced by the vendors with a Lincolnshire style post and rail fence prior to completion. The boundaries of the property are outlined in red on the plan attached. The grounds now contain the western garden which is a building plot which has full planning permission for the erection of a house (S/023/00489/24).

Construction and Services

The house is constructed of red facing brick under a pitched concrete interlocking tiled roof with a flat felted roofed section to the rear. The windows are all single glazed and metal framed in the crittall style and are mostly diamond leaded. We understand that mains electricity, water and drainage are connected to the property. There is an oil fired central heating system installed at the property.
