AN EXCELLENT OPPORTUNITY TO ACQUIRE A PAIR OF PERIOD, SEMI-DETACHED properties, affording an ideal residential investment, or consideration could be given to a split and sale of the properties on an individual basis. The properties were a former residential home, but are now offered with IMMEDIATE VACANT POSSESSION, and having the benefit of gas central heating and part-double glazing, the accommodation briefly comprises: -

1160, GROUND FLOOR, canopy entrance porch, entrance vestibule, entrance hall, basement cellar, lounge, dining room, breakfast room, and kitchen. FIRST FLOOR, landing, double bedroom with ensuite shower room, double bedroom two, kitchen/potential bedroom three, and bathroom. OUTSIDE, foregarden, and rear garden. EPC E, Council Tax Band A.

THE PROPERTY

A pair of period semi-detached properties, which would have been individual residential dwellings, which were subsequently utilised as a care home, falling within Use Class C2. The property affords excellent potential for reconversion into a residential investment, subject to obtaining the usual planning and building regulation approvals. Both properties are available with immediate vacant possession, and the vendor would consider a split and sale of the properties on an individual basis, if so required. Further details are available on request. At present, the accommodation comprises: -

1160, canopy entrance porch, entrance vestibule, entrance hall, basement cellar, three reception rooms, kitchen, landing, double bedroom with ensuite shower room, a further two bedrooms, bathroom, parking space to the front, attached store, and rear garden.

1162, canopy entrance porch, entrance hall, basement cellar, two reception rooms, kitchen, rear lobby, wet room, utility room, landing, double

bedroom with ensuite shower room, a further two bedrooms, bathroom, foregarden, and rear garden.

There is the potential for the property, as a whole, to provide eight lettable bedrooms.

NOTE TO PURCHASERS

Due to the current Use Class of C2, we understand that it is unlikely that any purchaser would be able to obtain a residential mortgage for the property. Therefore, any prospective purchaser would need to consider commercial funding.

LOCATION

The property enjoys a main-road location, in Alvaston, close to local amenities to include; day-to-day shopping, doctors and dentist surgeries, places of worship, hair and beauty salons, eateries, public houses, schooling, recreational facilities, and a regular bus service to Derby city centre. Ease of access is afforded to the ring road system, and onwards to the A38, A52 and A50 for commuting further afield.

DIRECTIONS

When leaving Derby city centre by vehicle, proceed along the A6 London Road, and before entering Alvaston centre, the properties can be found on the right-hand side.
