## Chipperfield Road

### Kings Langley

Proffitt and Holt are delighted to introduce this substantial 5 bedroom detached house located in a prime spot just a short walk from Kings Langley Common and High Street.

Internally, the accommodation is thoughtfully laid out with a comfortable living room with dual aspect windows and a lovely conservatory that overlooks the garden. The kitchen/dining room is well configured, with the kitchen itself being fitted in a classic shaker design, with a number of integrated appliances and a traditional Butler sink. Additionally, there is a ground floor family room/bedroom complete with an en-suite, as well as a separate utility room and workshop. To the first floor, the master bedroom is a spacious room with fitted wardrobes and its own en-suite. A number of bedrooms also boast fitted wardrobes, whilst the family bathroom has been tastefully refitted and houses a separate bath and walk-in shower.

Externally, the property excels. The beautifully maintained garden, measuring approximately 150ft in length, offers wonderful privacy and is made up of established borders and trees, plenty of lawned space and a number of well thought out seating areas, making this the perfect space for children to play, or to relax and entertain. Side access takes you to the front of the house where there is a spacious driveway and double garage, which both offer ample parking and storage.

Vendors comments about the garden: 'Including a summerhouse , she shed, store shed , greenhouse and log store at the bottom of garden, a mini orchard of 5 apple trees, a pear tree and a plum tree. During Spring/Summer a profusion of Rhododendron, Azaleas, Magnolias and Camellias.'
