Proffitt & Holt are pleased to present this five-bedroom detached house, originally built in the 1930s and significantly extended and modernised. Located on the desirable Nascot Wood, this property offers ample living space, ideal for a family.

Upon entering, an arched porch leads to a spacious entrance hall with a guest cloakroom. The front sitting room features a bay window and a fireplace, connecting to an additional sitting area. This opens into a high-specification kitchen with light maple wood fronts, granite worktops, and a large island unit. Adjacent to the kitchen, a utility area maintains the same style. A garden room, perfect for hosting events, has bi-fold doors opening to the garden, and a versatile room next to it offers potential for conversion into additional accommodation.

The first floor includes a principal bedroom with an en suite wet room, two double bedrooms with garden views, and two single bedrooms, one used as a dressing room. A family bathroom completes this level. The house benefits from gas central heating, double glazing, and a large loft for extra storage.

Externally, the front garden is primarily paved, providing off-street parking for several cars, with side access to the rear. The mature rear garden features a large terrace, lawn, a wooden summerhouse, a garden shed, and a workshop area at the back of the garage, with potential for further accommodation.

Viewing is recommended to appreciate the space and quality of this well-presented home.
