Ullswater Road

Hemel Hempstead

This well presented family home sits in a quiet cul-de-sac in the ever popular Leverstock Green area, within walking distance of local shops, parks and schools. The house sits on an unusually wide plot, giving plenty of potential to extend (STPP).

The internal accommodation is a traditional design, with a welcoming entrance hall leading in to a spacious living and dining room. In turn, this leads out to a bright and airy conservatory with solid roof and double doors flowing straight out to the garden. The kitchen has been tastefully refitted in a contemporary design with plenty of cupboard and worktop space, as well as a range of integrated appliances. Additionally, there is a ground floor shower room and toilet for added convenience. Stairs lead to the first floor, which houses three comfortable bedrooms and a family bathroom, which has been fitted with a large walk-in shower.

Externally, the large rear garden has been thoughtfully designed, with various paved seating areas, attractive borders and manicured lawned spaces. Additionally, covered access leads you to the front of the house where there is a driveway offering parking for multiple vehicles and access to a single garage.
