Guide Price £275,000

The first release of this luxury town centre development. Flooded with natural light from its refurbished secondary glazed sash windows, these properties have been restored throughout with brand new plumbing, wiring kitchens, bathrooms and fittings. The heating is via eco electric radiators with this flat benefitting from its own front door, entrance hallway and utility room with a very handy 'internal loft' storage space. The bedrooms are both doubles, the bathroom is contemporary with a presurised shower over the bath. The living/dining/kitchen space is a terrific L-shaped room with high ceilings and plenty of fitted kitchen units with built in appliances. At the front there is a small landscaped garden area with box hedging. All on the doorstep of the town within a few feet of some of Frome's best eateries, yet far enough away to not have to see them all the time!

Residential Sales

Knowledge and service is key; this coupled with confidence and motivation make this department a formidable force, with local knowledge comes the confidence to be able to offer the service you expect. Knowing the value of your home is very difficult to predict; using our experience and in-trade tools available to us will give you the best chance of achieving the greatest price from the most suitable buyer in a time frame that works with you.

Residential Lettings

Looking after your investment is our main objective, finding quality tenants and maintaining the property to a high standard makes for a 'Happy Tenancy', our no hidden extras fee structure is highly competitive (if not cheaper) than most agents.

Commercial Sales and Leasing

Having been one of the main local commercial agents in the town; over the past decade; we have been able to assist in modelling the centre by grouping like minded shops enabling them to support each other. In addition we have let numerous industrial units and office complexes in the Commerce Park, Marston and Wallbridge trading estates to both small and large organisations. We believe being passionate about Frome enables us to convince companies relocating or expanding to the area.
