THE PROPERTY

Short let  
The property has been carefully designed and much of the accommodation is flooded by light from the atrium above the mezzanine level, an expanse of glazing to the rear and numerous large front facing windows, most of which have plantation shutters. The accommodation on the lower and upper ground floors is largely open plan. There are four distinct reception areas which flow beautifully and incorporate a stunning luxury kitchen/family space fitted with an extensive range of sleek contemporary kitchen cabinetry, quality integrated appliances, a feature island unit with an expansive granite top and sides. The room opens out into a seating and informal dining area which has a wonderful view over the sunken rear terrace and the spectacular tiered, landscaped garden. Upstairs, over the first and second floors, there are five well proportioned bedrooms, all of which have built in wardrobes, there are three sumptuous bathrooms, one of which is en-suite to the main bedroom. Outside to the rear is a tiered landscaped garden with a westerly aspect and large outdoor storage cupboards, a side access. To the front of the house is a driveway for two cars and an impressive staircase leading to the front door, there is also a secondary front door at ground level.
