

78 Wharf Road Higham Ferrers, NN10 8BH

Set on the highly regarded 'Wharf Road', ideally located within walking distance of both the High Street and open countryside, this bay fronted property has been extended over the years to now provide four well proportioned bedrooms and create three reception areas in addition to a utility room and ground floor cloakroom. Upon entering the property you are greeted with a sympathetically tiled entrance hall in keeping with the age of the property which leads you into the heart of the ground floor accommodation - a reception room currently used as a second sitting room with stairs to the first floor and doors to a bay fronted living room with a cosy log burner and the open plan kitchen/dining room with French doors to the garden. Completing the ground floor accommodation is a utility room, cloakroom and rear door to a store area with roller shutter door to the front of the property. To the first floor the landing comes with doors to a four piece refitted family bathroom and four bedrooms. Externally the enclosed rear garden has a paved patio and lawned garden and the low maintenance front garden provides off road parking for several cars. To the bottom of the road you will find miles of open countryside with walking routes that can even lead you to Rushden or Stanwick Lakes, the top of the road takes you to the High Street where you will find a Co-op and a number of independent retailers and the historical market square that still to this day holds a famers market once a month. There are also parks, schools and a doctors surgery all nearby. Further benefits include gas raiator central heating and double glazing throughout. EPC Rating C, Council Tax Band D
