Forming part of this spectacular conversion is this first floor two-bedroom apartment overlooking Gloucester Quays.

The property has been sympathetically renovated with fine period features and has been very well appointed by the current owners. The popular location benefits from a range of eateries and designer label stores being right on its doorstep, as well as overlooking the historic docks.

A communal entrance door leads in to a well presented communal hallway with stairs that lead up to the property. The front door opens into a hallway and through to the sitting room which boasts twin sash windows to front elevation overlooking a very pleasant view of Gloucester Quays and adjoins to the fitted kitchen.

Two double bedrooms include sash windows to the front elevation, both with pleasant outlooks to Gloucester Quays and the master bedroom includes an en-suite shower room.

The family bathroom boasts white suite of panelled bath with tiled return, pedestal hand wash basin and low level W.C.

Albion House also benefits from secure gated parking. The property is currently let on an assured shorthold tenancy agreement but would be available with no onward chain.
