A modern suite comprising a walk in shower cubicle with an electric shower, a bath, a granite wash hand bowl inset into a vanity unit with drawers under, and a low flush WC. Tiled walls and floor, Heated towel rail.

GARDEN ROOM

16'7" x 14'9"

The former detached brick built double garage has been converted into additional living space and could be used as a games room, gym, studio etc. Accessed from the garden through uPVC French doors. Loft access which is fully boarded. Corner log burner.

GARDENS

To the front of the property there is a block paved driveway providing off street parking for multiple vehicles. There are gates to either side of the property which provides access into the rear garden. Outdoor power points. Steps lead up to the front entrance door.

To the rear of the property the garden is fully enclosed and adjoins open fields which provide fantastic views. To the immediate rear of the property there is a raised composite decked seating area with glass side panels and inset lighting. The garden is beautifully landscaped and mainly laid with high quality artificial grass with raised timber framed flower beds. A paved pathway leads to the side of the property where there is a further composite decked seating area with a metal framed pergola over. To the rear of the garden room there is a timber garden shed. Security lighting and outdoor power points.
