Offered with no upward chain, this one bedroom second floor flat is located in this popular retirement complex with easy access to the local shops, doctors and bus services.

The communal lounge is a great social place and there is a laundry room also on the ground floor along with the wardens office. Inside the flat the reception hall gives access to the bedroom, wash bathroom and a corner shower. The lounge is a good size with a window overlooking the rear gardens and a door leads to the fitted kitchen with integrated cooker, sink and window to the front.

Outside the communal gardens are well maintained and this is a great opportunity to purchase this spacious flat which benefits from double glazing and part economy 7 storage heaters, giving both you and family members peace of mind with a pull cord system in each room, which connects to either the Warden or an out of hours service.

A viewing is a must on the delightful one bedroom retirement flat.
