Wow. A unique opportunity to purchase this substantially extended family home which has four bedrooms but could easily be converted into five bedrooms with further scope to change the extremely versatile layout.

Occupying a wide plot, the impressive property has a tarmac driveway and steps lead up to the porch which opens into the dining room with a window to the front and an opening leads to the inner hall with stairs off. The lounge has been extended with a window to the front whilst the kitchen has some fitted units, built in oven and hob, breakfast bar and a window and door lead to the conservatory which has windows and double doors to the garden. The utility is a good size and has a window to the side, window and door to the garden whilst a door leads to the playroom / office with a WC off as well as a door to a useful storage area also accessed via the garage doors.

On the first floor there are four bedrooms, the master is a particularly spacious room that offers scope to split into two as there are two windows to the front and a large walk in storage cupboard whilst the second bedroom is also a good size double with two windows to the front. The third bedroom is angled in shape and has a window to the rear whilst the fourth bedroom is a single with a window to the rear. The bathroom is particularly large has a corner bath as well as a shower cubicle, part wall tiling and a window to the rear.

The loft is all one area and offers an exceptionally large amount of storage with a roof window to the rear whilst the rear garden is triangular and is slabbed for ease of maintenance and this double glazed and centrally heated home must be viewed.
