This bright, mid-terraced 1950s home enjoys a pleasant position fronting onto a leafy green set well back from Ditton Lane. The house has undergone much improvement over the last 5 years; additions include new flooring, an impressive kitchen/dining room and also benefits from wooden shutters, a burglary alarm system, double-glazing, wired smoke alarms and USB sockets. The house is within easy reach of a wide array of transport networks including the Park & Ride, A14, Citi 3 bus route and Cambridge North Station, via the Chisholm Trail.

The accommodation briefly comprises a welcoming entrance hall with understairs storage, finished with engineered oak flooring, which continues through to a bay-fronted living room with an open fireplace, contrasted by exposed brickwork. 'Fold flat' bifold doors open into a stunning Scandinavian-style kitchen/dining room, offering both minimalism and functionality, finished with wood-effect porcelain parquet flooring. The kitchen itself has a breakfast bar peninsula and is fitted with a range of Italian units, a granite inset sink, finished with Quartz worktops and splashback. Integrated wifi-enabled appliances include a fridge/freezer, dishwasher, washer-dryer, oven and an induction hob with an extractor over.

Upstairs are three bedrooms, two of which are comfortable doubles and include built-in wardrobes. The bathroom has been fitted with a modern white suite including a shower over the bath, complemented by vanity furniture and part-tiled walls. The landing provides a full-length split cupboard and access via a pull-down ladder to a partially boarded loft with light. The loft also houses the gas-fired combination boiler.

Outside, the property is set well back from the main road behind a communal green with a variety of established trees and mature hedgerows. There is a paved driveway, which can comfortably fit two cars and additional street parking available.

A shared path (between No. 62 & No. 60) provides a pedestrian access to the private west-facing garden which measures 63' x 24'. There is a brick-built outbuilding and a refitted cloakroom WC, with a 2 in 1 toilet accessed via the outside. Both have power and light connected with the outbuilding providing plenty of power sockets. There is a block paved patio well suited to alfresco dining with an outdoor sink area consisting of a stone worktop and sink. The remainder is laid to lawn and stocked with a number of fruit trees, the whole is enclosed by fencing.
