This extended bay-fronted house has been significantly improved and remodelled to create wonderful accommodation, combining elegant and characterful rooms with a large, modern, open-plan principal living/dining/kitchen space, which overlooks the garden.

This fine family home is in a quiet and highly desirable residential area, north of the river and within easy reach of excellent facilities, open green spaces and the historic centre. The property is within the catchment for Milton Road Primary School and Chesterton Community College.

The property is approached via a wide front garden, which is predominately laid to gravel and provides off-street parking. There is gated access to the side, which leads to a large, covered storage area and the rear garden beyond.

An attractive reception hall leads to a generous sitting room with bay-window, original wood flooring and a strong colour scheme. The principal reception area is a stunning open space, which combines living and dining with a well-equipped, high-end kitchen. Wide, double-glazed sliding doors provide access to a paved terrace and allow a high degree of natural light. A sitting area has a feature fireplace and floating recess shelving. The kitchen provides an extensive range of matching cabinetry with plinth and under cupboard lighting, Corian countertops, a range of integrated appliances and a central island. A utility room and shower room complete the ground floor accommodation.

Upstairs, the first-floor landing leads to a modern family bathroom suite and four bedrooms. The boiler is located within a cupboard off the landing.

Outside, there is a large, fully enclosed rear garden, which is mainly laid to lawn with shrubs set to borders and a full-width, split-level terrace area. A useful timber outbuilding is located at the bottom of the garden and offers scope to convert into a home working studio/hobby space.

Location

Hurst Park Avenue is located in North Chesterton, just off Milton Road. It is well situated for Milton Primary School and Chesterton Community College, as well as green spaces like Midsummer Common, Jesus Green and the river Cam. Hurst Park Avenue is located just 2.2 miles away from Cambridge North Railway Station and 2.5 miles from Cambridge station with regular train services into London King's Cross and Liverpool Street with journeys taking from 50 minutes. It is well placed for access to the Science Park and the A14, which in turn grants further access to the M11 to the south towards London and Stansted airport.
