On the ground floor, the spacious, dual aspect living/dining room features a delightful fireplace with a woodburning stove and a Bresummer Beam and stairs to the first floor with storage under. Located at the rear, the kitchen/breakfast room also has a dual aspect, a tiled floor and is fitted with a range of units, a single oven with a gas hob and an extractor hood over, space for fridge/freezer and a washing machine, a recently installed combination boiler and a glazed door providing access to the rear garden. There is an adjoining WC, which has been refitted and is accessed externally.

Upstairs, there are two bedrooms, both of which are doubles in size, with the master bedroom benefitting from an attractive period fireplace. Partly tiled, the refitted bathroom includes a panelled bath, a separate rectangular shower unit, wash basin and a WC. Off the landing, there is a storage cupboard and a hatch with a folding ladder providing access to the loft space, which is fully boarded and has a Velux window.

Outside, the property is set back from the road behind a lawned front garden with shrub borders and boundary picket fence. There is a gravel driveway for circa three vehicles to the side, leading to a detached, purpose-built garage, which has power connected. At the rear, there is a superb adjoining studio, which is fully insulated and ideal for a home office or guest bedroom. Double-glazed doors open onto the delightful rear garden, which has a southeasterly aspect and is generous in size. It is landscaped and predominantly laid to lawn, with mature flower/shrub borders, fruit trees, vegetable patch and timber shed.
