The property is in a quiet cul-de-sac off Coldham's Lane, yards from Coldhams Common and within easy reach of Mill Road, Cambridge Station and the city centre.

The property has been greatly improved in recent years and benefits from a rear kitchen extension, which was carried in 2016 and a loft conversion in 2018.

The accommodation comprises an entrance hall with concealed understairs storage cupboard and WC. There is a private sitting room with a period fireplace and a bay window with bespoke shutters overlooking the front (garden) aspect. An impressive open plan kitchen/dining/family room provides access to a utility room and garden terrace via bifold doors. This split-level room has a well-equipped shaker style kitchen, which provides ample storage space, solid wood working surfaces with an inset Belfast sink and a range of integrated appliances.

Upstairs, the first-floor landing area leads to three generous bedrooms and a refitted family bathroom suite. The principal bedroom suite is located on the second floor and benefits from a high degree of natural light, eaves storage, space for a study area and an ensuite shower room.

Outside, the property is set behind a neat and enclosed front garden. The rear garden measures 37m x 5.5m and has a favourable south-facing aspect. The garden is predominately laid to lawn with well-stocked borders and a paved pathway leading to a kitchen garden with a polytunnel and a timber shed. There is a large garage with power and lighting, and double gates.
