6 Hemingford Road is an attractive, late Victorian house located just off Mill Road in the popular Romsey Town area of the city.

This spacious two bedroom property provides broad and well-proportioned rooms, which have been improved in recent years and benefit from a high degree of natural light and a tasteful interior design.

Accommodation is arranged over two floors, extends to 803 sqft and comprises a large, open plan sitting/dining room with sash windows, original wood floorboards, picture rails and an inset woodburning stove. A dual aspect and a well-equipped kitchen/breakfast room provides access to the rear garden. There is an extensive range of low-level matching units under a solid wood worktop, an inset ceramic sink, gas hob, electric oven and grill and space and plumbing for freestanding appliances.

Upstairs, a broad first-floor landing provides concealed storage space and leads to two spacious double bedrooms and a large bathroom suite. Both bedrooms have period fireplaces and attractive column radiators.

Outside, there is a small walled front garden and secure gated side access (shared) leading to the rear garden. The rear garden has an east-facing aspect and provides a paved patio area, lawn with established flower beds, wood store, timber shed and a well-constructed modern studio with insulation, power and lighting. This contemporary space is ideal for homeworking and guest overflow.
