This spacious family home has been in the same ownership since it was built in 1956. It has been well-maintained and is presented in good order but would benefit from modernisation. It occupies a generous plot offering excellent scope for expansion, subject to the relevant consents, in a sought-after and established residential neighbourhood to the north of the city centre, within easy reach of Cambridge North railway station.

The property opens into the entrance hall, which has stairs to the first floor and leads to the kitchen, which has a range of fitted units, space for a fridge/freezer and oven, plumbing for a washing machine and a door leading to the car port. There is a comfortable living room, which opens into the dining room and, in turn, leads to the conservatory, which provides views of the rear garden.

On the first floor, there are three bedrooms, two of which are doubles in size and include built-in wardrobes. The family bathroom has a three-piece suite comprising panelled bath, pedestal wash basin and WC.

At the front, the property is set back from the road behind a low-level boundary wall and a part-paved, part-gravelled driveway, providing plenty of off-road parking. Double gates open into a car port, which leads to both a garage with power connected and the rear garden. Generous in size, the rear garden enjoys a southwesterly aspect and is fully enclosed by fencing and hedgerow. It is predominantly laid to lawn, with paved and gravelled areas.
