162 Botany Road

Found within 25 metres of the blue flag Botany Bay is this unique property. It has been lovingly extended outwards and upwards by the owners but you have to cross the threshold to really appreciate everything this veritable Tardis of a special home has to offer. If you want to run a business there are three rooms currently used for a successful health and beauty clinic and for visitors or a family member, a delightful detached annexe.

A large, newly refurbished block paved driveway where you can park a number of vehicles leads to the garage, the separate entrance to the annexe and the impressive, hand built oak framed porch. The hall, with its engineered oak flooring that flows through much of the ground floor, leads to a shower room with a circular marble basin. There is also a utility room and two double bedrooms, including one with a bay window and colonial style made to measure bespoke shutters and with views to the sea.

A door then opens into the 'private' part of the house where you will find a charming tiled family bathroom with twin marble basins, a bath and separate shower. There is access to the absolutely stunning kitchen/breakfast room with a skylight, mood lighting and beautiful hand built wooden archway to the impressive dining area and on to the light and bright triple aspect family area, providing a delightful open plan feel. The kitchen includes a superb central island/breakfast bar, a Rangemaster Elan cooker and Howden shaker style units with a built in Bosch double oven, Lamona combi microwave, American fridge freezer, dishwasher, a double butler sink and a bespoke wine rack. There is also an adjacent utility room with fitted units, a combi boiler and laundry facilities.

The family area has three bi-fold doors to the rear terrace while the dining area has access to an inner lobby. This leads to a guest double bedroom with French doors to a private patio area and the lovely lounge with beautiful hand built shelving, display units, a delightful fireplace and a log burner, ideal for snuggling in front of in the winter months.

Upstairs there are two fabulous double bedrooms offering a wealth of head height. One is double aspect with an en suite shower room and a sea view from both windows. However the first bedroom epitomizes luxury. Over 21 foot in length, this is the perfect space to escape and relax. The marbled en suite shower room only confirms how magnificent this space is.

The external gate to the annexe leads to a private patio and a path to the front entrance. This opens into the spacious lounge/diner that benefits from additional sleeping for children at one end. There is a door to the fitted kitchen with an oven and hob as well as space for a fridge, access to the shower room and a double bedroom with fitted cupboards and views out to the gardens. Adjacent to the annexe is a storage room that is currently in use as a workshop, however it could be converted into another bedroom for the annexe.

The extremely easy to manage rear garden is a wonderful outdoor entertainment space with a terrace, a lawn area leading to a raised decked area with built in lights, a great space for enjoying the sunshine. A second patio comes off the fifth bedroom and would be ideal for visiting guests to enjoy a morning coffee in private. And later on they can join you at the homemade pergola-covered bar to enjoy the rest of the fabulous garden.

Seller Insight

“ I love Botany Road and over the past 13 years have lived in four different houses along the same road, moving closer to the sea every time! When we bought this property, it was a small bungalow and we literally gutted it and started again. Being a builder and master carpenter my husband lovingly created this wonderful home over eight years and it will be a great wrench to leave. But it is time for us to downsize and start a new chapter in our lives.

We are less than a minute's walk from the clifftops and blue flag beach at Botany Bay and not far away is the quiet Kingsgate Bay or Joss Bay for surfing and paddle boarding. We are within easy walking distance of the North Foreland Golf course for golfing enthusiasts and if you want a drink or a meal without having to take the car out there is the Botany Bay hotel or the Captain Digby restaurant.

A regular bus service takes you around Thanet on the Loop and there is a useful convenience store at the top of the road, while the Victorian town of Broadstairs with its lovely promenade and picturesque Viking Bay, is only a five minute drive. It has a mainline high speed rail service that can whisk you to St Pancras in under an hour and a half, a wide variety of individual shops, bars and restaurants and a number of annual events such as Folk Week, the Dickens Festival and the Food Fair. There are also excellent education facilities with Outstanding primary and grammar schools as well as first class private schools in the locale.*
