# Local Life

Orsett is a village, former civil parish and ecclesiastical parish located within Thurrock. The centre of Orsett is aligned on an east-west axis along the High Road, on which is the parish church of St Giles and All Saints. Its former workhouse on Rowley Road was developed into a large modern hospital in the 1960s but has, since the 1980s, been reduced in size once again. Most of the former shops in the High Road, including the Post Office opposite the Church and the blacksmith's in Rowley Road, have closed to be replaced by just one convenience store which contains a sub post office.

The historic Orsett Hall on Prince Charles's Avenue, the home of the Whitmore family until their estate was sold in the late-1960s, was destroyed by fire in May 2007 but was rebuilt during 2008. A13/M25 road links are easily accessible.
