Let's start outside... because first impressions matter. The sleek grey render and electric grey garage door ensure this home doesn't just sit on the street — it owns it. Step inside and you're welcomed by a chic lounge complete with a feature fireplace and contemporary glass banister, proving this home knows how to blend comfort with modern design.

The through dining room keeps the layout flowing beautifully, perfect for hosting, entertaining or simply showing off your impeccable taste. The modern kitchen continues the theme with tiled flooring, integrated fridge, hob, and double oven — clean lines, modern finishes and zero compromise on functionality.

Upstairs, the home delivers where it matters most. A generous main bedroom offers a calm retreat, the second bedroom boasts built-in wardrobes (because storage is always in fashion), while the third bedroom makes an ideal home office, nursery or guest room. The bathroom? Think hotel vibes — featuring a rainfall shower, sleek WC and sink, plus a built-in ceiling speaker so your morning routine comes with a soundtrack.

Outside, the rear garden is a private haven — not overlooked, beautifully laid with patio and artificial grass, and ready for summer socials without the lawn-mowing drama. The garage has been cleverly transformed into a chill-out room, while still retaining practical storage, and benefits from a utility room extension, ticking the boxes for modern family living.
