The kitchen comprises of a range of gloss wall and base units set with a stone counter top and including a pantry style larder storage unit. Appliances include an induction hob, electric oven, dishwasher, microwave oven, fridge/freezer and washing machine. The room is currently arranged with a breakfast table and chairs. The sitting/dining room is a spacious room with useful under stairs storage cupboard and French doors leading to the Sun Room; this also has French doors giving access to the rear garden, which would make an ideal home office. A door connects to the utility room set at the back of the garage, which includes storage units with space for white goods. Integral double doors lead to the garage area, which offers storage and benefits from light and power. Completing the ground floor is a cloakroom.

Rising to the first floor, the main bedroom is situated to the

rear and is currently arranged with a large double bed and is serviced by an ensuite shower room. This room enjoys a connecting door to the third bedroom, which is currently arranged as a dressing room with built in storage but could easily revert back to a separate room with a further door to the landing still in place. The second bedroom is a good sized double with a built in wardrobe. The family bathroom consists of a white suite of bath with overhead shower, basin, w.c. and heated towel rail.

#### Outside

The property is approached by a tarmac driveway providing parking for one vehicle with access to the garage. There is an EV charging point, which can be left subject to negotiation. The rear garden has been tastefully landscaped with a decking area adjoining the sun room, which continues to a larger patio laid with sandstone. Continuing to the rear boundary is an elevated section laid to artificial grass which catches the evening sun and is currently arranged with an outside dining table and chairs. The garden includes establishing shrubs and plants.
