There is a useful study off the kitchen, perfect for those wanting to work from home. The heart of the home is the cosy sitting room which has many original features, stone flooring and an open fire place with brick surround as a focal point. Completing the ground floor is an updated family bathroom comprising of a roll top bath, modern walk-in shower, basin and w.c.

Rising to the first floor, the master bedroom is a double room with built in cupboard space overlooking the front of the property. The second bedroom is currently arranged as a single room with a built-in wardrobe. The third bedroom could be utilised as a small single room or walk-in wardrobe. Completing the upstairs accommodation is a tucked away shower room making effective use of the space, comprising a shower, basin and w.c.

OUTSIDE

The property is often approached from the side via a paved area which is perfect for dining al-fresco with steps leading up to the garden. The well maintained garden is a particular feature which boasts a beautiful Yew tree and is predominantly laid to lawn enjoying stunning countryside views.
