ACCOMMODATION

A Grade II listed cottage blending character charm with modern decoration throughout. Upon entering the property, the heart of the home is the cosy sitting room which has retained many of its original features including an eye catching feature brick fire place with inset wood burner as a focal point. The tastefully updated kitchen / breakfast room sympathetically blends modern fittings with a country style. The kitchen comprises of base units with a wooden counter top, ceramic sink with drainer and space for a freestanding Rangemaster and fridge freezer. This conveniently flows up a set of steps into a useful utility room which contains plenty of worktop and undercounter storage space for white goods plus a pantry. Completing the ground floor is a spacious hallway perfect for storing coats and shoes with stairs to the first floor.

Rising to the first floor, there is a large room to the rear which offers flexible accommodation and could be used as a bedroom, study or secondary living area with double doors out to the terrace. The second bedroom is a good sized double room overlooking the front of the property, with storage space either side of the chimney breast. The third bedroom is a single room. Completing the upstairs accommodation is a bathroom comprising a bath with shower overhead, basin and w.c.

OUTSIDE

The property is accessed via a pavement on the approach to the front door. The enclosed southerly facing rear garden is a particular feature with steps and elevations. The garden is mainly laid to lawn with well established trees and shrubs, and a path that leads to a public footpath offering fantastic walks. Also within the garden is a terrace for dining al-fresco, access to a storage room, woodstore and a useful shed.
