This charming property offers delightful accommodation over two floors. The property is entered via the kitchen which in turn leads to the sitting/dining room which benefits from an open fire and a door to the rear courtyard. On this level there is a spacious double bedroom with an ensuite shower room. Patio doors from the bedroom open onto the courtyard.

A further verandha area which is currently open, provides the ability to create a second reception room (stpp) if required which in turn would lead to the garage. Again, if chosen the garage could be used as further living space seeing as parking is provided.

The first floor bedroom has a feature vaulted ceiling and an ensuite bathroom with ample storage and a very quirky feel.

Outside

The property is approached via a timber gate to the front garden which is bounded by a wall and picket fence. The front garden is laid mainly to lawn and there is a delightful

verandah providing a sheltered area for sitting out which could be enclosed and leads to the garage. An archway leads to the front door. The rear garden is enclosed and hard landscaped for ease of maintenance. This area provides great scope to create an attractive Mediteranean style garden with space for al fresco dining and relaxation. Garage.

Mains electricity, water and shared septice tank. Oil fired central heating system.
