DWELLING

This delightful period cottage is in excellent order and resides in a highly desirable location lying a short walk from Beaminster Market Square, towards the edge of town. Built in the 17th century of local stone under a slate roof, the property is Grade II listed. Internally it is packed with character including a stunning inglenook fireplace and beamed ceilings. The accommodation is spacious, spread across two floors and includes two double bedrooms and an impressive sitting/dining room and staircase rising to the first floor with cupboard under. The property has gas fired central heating throughout. The enclosed garden consists of a number of terraces with deep borders edging, each being a perfect place for al fresco dining.

ACCOMMODATION

Entrance hall with steps into the main reception room. This front aspect room with its beamed ceiling has the appeal of a quintessential country cottage centralised around an inglenook fireplace with its Bressummer beam. Set within is a wood burning stove.

The kitchen offers good storage with wall and floor shaker style units in a soft cream with a laminated work surface over. You will find space for a washing machine and dishwasher under the work surface. Integrated items include a gas hob with electric oven with an extraction hood over. A Velux roof light and a picture window make this a wonderfully light space with seating in the window to enjoy views over the garden.

The bathroom also comes off the entrance hall. Fitted with a modern 'P' shaped bath with shower over, vanity unit with basin and WC and a heated towel rail.

Upstairs there are two double bedrooms, both easily accommodating two bedside tables and wardrobe, the principal bedroom is a light and airy room with storage cupboard, and the advantage of a shower en-suite c/w heated towel rail and wall heater. The landing has a Velux roof light, and airing cupboard.

OUTSIDE

A large secure gate opens onto a path which leads to the front door which is set to the side of the property. Beyond here, the path continues around the house and leads on to the enclosed garden with a number of sunny spots and terraces perfect for al fresco dining. Through a trellis arch at the rear of the garden is located a storage shed and a wood store. To the front there is plenty of on street parking.
