The Property

The garden backs on to playing fields which gives a lovely outlook from the back of the property. Further benefits include 2 reception rooms, side access to the rear garden and gas central heating.

An entrance door opens to the hallway which provides access to all rooms as well as 2 downstairs cupboards and stairs rise to the first floor. The sitting room is located to the front of the house with a bay window giving plentiful natural light and there is a central fireplace (boarded). The dining room is at the back of the house and has French doors and windows to the rear garden and plenty of space for a family dining table. The kitchen is fully fitted and has white kitchen cupboards and drawers and built in appliances include an electric oven, gas hob and cooker hood over. There is space for a dishwasher, fridge and separate freezer and further down the kitchen is a utility

area where there is space and plumbing for a washing machine, tumble dryer and a glazed door to the rear garden.

On the first floor there is a landing with airing cupboard (housing the gas central heating boiler) and loft access. The 3 bedrooms are all double rooms. Bedrooms 1 and 2 are a similar size and of good proportions and the third is smaller room with a built in cupboard. The family bathroom has been replaced recently and has a bath with shower over as well as a WC and wash hand basin.

Outside

The rear garden is a good size with a large patio seating area abutting the house. There is an area of artificial grass lawn with areas of landscaped rockery and flower borders and further down the garden is a green house as well as a garden shed. At the bottom of the garden there is a gravelled area, which could be used for seating. A Pedestrian gate provides side access to the rear garden from the front of the house.

To the front of the house there is a good size enclosed front

garden, mainly laid with gravel, which others in the row have converted to a parking space.
