THE DWELLING

A well-presented detached house in a cul-de-sac, enjoying a south facing garden that overlooks fields.

ACCOMMODATION

This modern village house is in good order throughout and the accommodation in brief comprises an entrance hall with downstairs cloakroom. The main sitting room is a nicely proportioned space featuring an exposed stone chimney breast and hearth with an inset gas fire. It also offers TV connection and laminate wood-effect flooring that flows into a separate dining room with French doors leading out to the garden.

The kitchen is fitted with a range of cupboards and drawers, ample work surfaces and includes a cupboard housing the gas boiler. Integrated appliances consist of an oven, microwave oven, gas hob with a modern extractor hood, a dishwasher, an undercounter fridge and an undercounter freezer. Adjacent to the kitchen is the breakfast room which offers space for a table and chairs, as well as a side door leading to the garden.

Completing the ground floor is a further reception room, formally the garage, offering a variety of uses that might suit a home office, play room or craft room.

On the first floor, Bedroom 1 is a double room with an en suite shower room and fitted wardrobes. Bedroom 2 is also a double room with some fitted wardrobes. There are two additional bedrooms and a family bathroom, which features a modern white suite including a shower bath, WC and basin.

The property benefits from UPVC double glazing, gas central heating and driveway providing off-road parking.

OUTSIDE

The front garden is well-maintained, partly walled, with a lawn, mature shrubs and a tarmac driveway.

Gated side access leads to a private rear garden with a covered seating area. A large patio extends along the back of the house and features a brick-built pond. There are outdoor power points and a tap and there is space at the side of the house for a garden shed. The garden is terraced with shallow steps leading up to a level lawn surrounded by shrub and flower borders. The garden widens and gently rises, meeting open fields at the rear.
