## THE PROPERTY

Willow Mead is an attractive detached bungalow, custom-designed and built in 1984. Constructed using Swedish Scandia-Hus timber framing, it features brick-faced elevations beneath a pitched, hipped and concrete-tiled roof.

At the rear of the bungalow, the spacious dual-aspect sitting room enjoys views over the garden and the countryside beyond. A feature fireplace adds character, while double doors open directly onto the garden. The kitchen is well-equipped with a range of floor and wall-mounted units, and a separate utility room provides additional storage and space for white goods. Oak flooring extends from the entrance hall into the dining room and bedroom lobby. The generous dining room, accessed via double doors, also benefits from double doors leading out to the garden, making it ideal for entertaining.

There are four well-proportioned bedrooms, with the principal bedroom featuring an en suite shower room. A family bathroom and a separate WC, conveniently located off the entrance hall, complete the accommodation. Additionally, the property benefits from triple glazing throughout.

## OUTSIDE

Willow Mead is set back from the road, offering privacy and seclusion. It is approached via double wooden gates, with a separate pedestrian access gate leading to a large driveway and a brick built double garage. One garage door is an up-and-over with remote control, while the other features double casement doors with extra height, ideal for accommodating a 4x4 or caravan. Additionally, there is a large wooden garden shed elevated on brick piers, providing extra outdoor storage.

The front garden is mainly laid to lawn, complemented by a variety of shrubs, paved pathways and a pedestrian gate leading to a covered passage adjoining the garage.

The rear garden enjoys beautiful countryside views and features a paved terrace directly adjoining the bungalow, extending onto a generous lawn with well-stocked flower and shrub borders.
