THE DWELLING

A substantial chalet bungalow of part-brick and part-rendered-block construction under a tiled roof, set within a generous plot of mature gardens which circular around the house, with stunning trees dotted around the plot and mature shrubs giving a secluded feel.

The property itself enjoys countryside views and leafy back drops from all sides. One of only three detached properties set along a private drive at the far end of a cul-de-sac in Charminster, with its own secure driveway, parking area and garage.

ACCOMMODATION

An extension to the side of the property provides a spacious entrance hall leading to the heart of the house. On the ground floor, the large dual aspect windows in the sitting room make the most of catching the sun and provides stunning views of the garden.

The family kitchen/breakfast room is a capacious room with a large area for entertaining and there is a separate formal dining room. Partial conversion of a garage now provides for a smart office/study room as well as a single garage which in turn leads to the spacious workshop. Completing

the accommodation on the ground floor is a downstairs bedroom, shower room and large utility room with a door to the garden. On the first floor there are 3 double bedrooms and a family bathroom.

OUTSIDE

Wonderful spacious gardens, mainly laid to lawn, with mature trees and deep flower borders of shrubs and flowers. There is a patio seating area immediately abutting the rear of the property which also provides a walkway around the house that leads to the greenhouse.

The driveway leads to a turning and parking area, as well as access to the single garage.

SITUATION

Charminster village has a popular first school, a shop with post office, a range of public houses and a Parish Church. The village is about two miles to the north of Dorchester (County town) which provides an excellent range of shops, schools, restaurants and the County Hospital. Communications are good with rail links from Dorchester to London/Waterloo and Bristol/Temple Meads.

The Dorset coastline has been accorded World Heritage status with some fine beaches. There is also a network of bridleways and footpaths in the immediate vicinity.
