## PROSPECT PLACE

Prospect Place is a stunning detached house located just outside the charming village of Cattistock. Originally built circa 1840, the property has been significantly extended to create a thoughtfully designed family home. Enjoying magnificent south and westerly views over the Frome Valley to Rampisham Down, the house seamlessly blends period charm with modern comforts.

A flagstone-floored entrance hall leads into an inner hall featuring a striking Georgian-style staircase. The front-facing sitting room is dual aspect, with casement doors opening on to the exquisite Italian style walled garden. A snug, formerly the dining room, and a study complete the original section of the house.

The heart of the home is the impressive kitchen with four-oven Aga and dining area, flowing seamlessly into a recently built orangery with double doors opening on to a raised terrace, perfect for enjoying the views.

Additional ground-floor amenities include a utility, larder and two cloakrooms.

The first floor features a spacious landing. The principal bedroom offers spectacular views, a dressing room and a generous en-suite bathroom, complete with a freestanding bath, basin and walk-in shower.

The second bedroom has a built-in wardrobe and access to a 'Jack & Jill' bathroom, also featuring a freestanding bath, basin, and walk-in shower. Two further bedrooms and a versatile dressing room/study complete the first floor.

## PROSPECT PLACE COTTAGE

Prospect Place Cottage, formerly a stone barn, was converted in 2019/2020 into a charming detached cottage, situated in the corner of the yard close to the stables and studio/office.

The ground floor is open plan with living area and double doors to the south facing private garden, fitted kitchen, rear hall and cloakroom. Upstairs, both double bedrooms have en suite shower rooms. The cottage is tastefully finished with a traditional yet contemporary style.

The cottage is subject to a holiday use condition. See planning for more information.

## OUTSIDE

A driveway on the north-west side leads to a large gravelled parking and turning area. On the south-east side, a second driveway provides access to a spacious yard with a double carport and an adjacent studio—ideal for use as a home office.

Landscaped gardens surround the house, with lawns, mature beds and borders. The walled Italian style garden is a fine feature of the house providing a sheltered, secluded area for outside dining.

The equestrian yard has four stables - two of which are dual aspect, a tack room and a feed store with a ladder leading to an octagonal first-floor storage area. There is a wash-down box and second feed store. An all-weather riding arena (approx. 22m x 62m) is located to the north-west of the house.

## LAND

The land gently slopes towards the River Frome and enjoys double-bank river frontage.

The property extends to a total area of 10.33 acres (4.18 hectares) with the residential curtilage extending to 1.12 acres (0.45 hectares). The land is arranged in three conveniently sized paddocks, all with stock fencing and water troughs. All of the land is all laid to permanent pasture and has historically been utilised for the grazing of horses.

The attractive River Frome runs through the south-westernmost fields, flowing north to south (full riparian rights are included and run with the rest of the freehold). The field adjoining the river is wetland, and although partially drained, it has been left as a conservation area.

## SITUATION

Prospect Place is situated on the northern edge of the village. The village is of considerable character and a thriving community with a store/post office, noted Victorian parish church, cricket ground, football field, children's playground, village hall and well regarded public house, The Fox and Hounds.

Local facilities in Maiden Newton, about 1 mile, include shops, petrol station and Spar, primary school, doctors' surgery and railway station on the Dorchester/Yeovil to Bath/Bristol line.

There is excellent outriding from the door, with surrounding countryside interspersed with a network of bridleways and footpaths.
