The Property

Is this how town centre living should be? Stevensons Court lies to the rear of a handsome Grade II Listed building within a 1980s purpose-built apartment block within short walking distance of all the town's amenities and parking, all with lovely views towards Coneygar Hill.

The apartment lies on the second floor and is arranged around a central hallway. The principal living room lies to the rear of the property with a fireplace equipped with a coal effect gas fire (not in use) with a lovely picture window to one side that looks up to Coneygar Hill. The kitchen is equipped with a comprehensive range of floor and wall mounted units and cupboards, with space for an everyday dining table to one side. The main bedroom also takes in the views and has an ensuite shower room, with the second bedroom having use of a wet/shower room. The property has gas fired central heating, UPVC double glazing and is in need of modernisation.

Outside

There is a bike store as well as several seating areas and communal gardens. It is mainly laid to patio and is well kept. There is a parking space to the rear of the property.

Situation

The property is situated in the centre of the bustling and vibrant market town of Bridport. Bridport has a history of rope-making and is now a gateway to the Jurassic, World Heritage coastline at nearby West Bay. It has a variety of independent shops, supermarkets, public houses and restaurants catering for a range of tastes and excellent arts and music events. Bridport is conveniently placed for Dorchester and Weymouth to the east and Axminster to the west. Walking, water sports and riding opportunities are plentiful in the area, with many walks starting from the town itself.
