## THE PROPERTY

This stunning end of terrace property was built by the well-respected local firm Northcott Building Contractors. Completed to a high specification, the property is presented in excellent order throughout with the immense benefit of two parking spaces and glimpses to Golden Cap and the sea. The property has been successfully run as a holiday let under the current ownership, providing a generous income. All contents are available within the sale price, so would ideally suit applicants looking for an investment opportunity.

The property is accessed over a shared pathway from the car parking area, and enjoys a larger corner plot. The front door opens into a spacious hallway, with a large cloakroom/utility room to the right hand side, fitted with a wc and sink, plus a washing machine. The L-shaped open plan kitchen/living/dining room is accessed beyond here, and spans the depth of the house with a dual aspect creating a bright, spacious and sociable room. The contemporary kitchen is fitted with a range of quality wall and base units with worktops over, and an array of integrated appliances including an integrated electric oven, microwave, gas hob, fridge/freezer and dishwasher. The living/dining area is to the rear, with double doors onto the garden and a useful understairs cupboard. The whole of the ground floor is fitted with quality Karndean flooring throughout.

Stairs rise to the first floor, with a spacious landing with two large built-in cupboards. The principal bedroom is to the rear, a generous double with a large built-in wardrobe and a fully tiled ensuite shower room, fitted with a large walk-in shower, wc and sink with drawers below. The other two double bedrooms are to the front, and benefit from views over the town towards the countryside, with glimpses of the sea and Golden Cap. The fully tiled family bathroom comprises a P-shaped bath with shower over, wc and sink with drawers beneath.
