THE DWELLING

This charming two bedroom cottage boasts many features one would expect of a house of this period, including feature fireplaces, window seats and cottage doors. It has been a well loved home for many years, and now requires some modernisation but there is the potential to create a charming home in the centre of Bridport, with a delightful private rear garden.

ACCOMMODATION

The entrance to the cottage is accessed by a front door into an alleyway, shared with the neighbouring cottage only, providing access to the house and gardens. The bright and spacious living room is situated to the front, with a beamed ceiling, a large fireplace equipped with an electric stove, a window seat and under stairs storage. The kitchen is to the rear, and is fitted with a range of wall and base units with space for necessary appliances and a stable door onto the rear garden. Beyond the kitchen there is a large modern family bathroom.

Stairs rise to the first floor, with the principal bedroom at the front with built-in wardrobes and a feature fireplace. Further stairs rise to the second bedroom, which enjoys lovely views towards Bothen Hill.

OUTSIDE

A further feature of this property is the delightful rear garden, which has a useful utility room with space and plumbing for a washing machine. This room could be utilised in a number of ways, including as a home office, utility room or studio/therapy room if required. A patio seating area adjoins the property, with mature planting and hedges and a large shed to the rear. A side gate provides rear access into the alleyway. There is on street parking on South Street, with resident parking permits available.
