THE DWELLING

Sanctuary Cottage is all about the views, the position and potential. Far reaching views can be enjoyed both from the gardens and the cottage over the local countryside and the beach at Charmouth. It's position is outstanding being just a short walk to the famous fossil beach and within walking distance of several public houses and shops. Lastly the potential is extraordinary with the house now in need of its 50 year makeover of what is an unexpectedly spacious property.

ACCOMMODATION

On the ground floor there are no less than five reception rooms served by a kitchen, a cloakroom/laundry room and a utility/shower room. On the first floor there are four good bedrooms and a sunroom with a family

bathroom. The property has some double glazing and has gas fired central heating.

OUTSIDE

Much of the garden lies to the front of the cottage and is for the most part laid to lawn and enclosed by mature hedging with herbaceous and shrub planting to the sides. To the right hand side there is a gated driveway that provides parking and leads up to a double garage.

SITUATION

The house is positioned in the delightful village of Charmouth, set on the Jurassic coast, offering an outstanding natural beauty of its own with its award-winning beach. The local shops are a few minute's walk away, with the beach on the doorstep, a children's playground a 5-minute walk and two public houses.
