## THE DWELLING

A well-presented thatched cottage boasting a central village location with a pretty enclosed garden and off-street parking for two cars.

## ACCOMMODATION

The accommodation is well presented throughout and offers the best of both worlds, being a modern property but with character features. Upon entering the property there is a useful lobby area with a tiled floor, radiator and space for coats and shoes. To the right hand side is a downstairs cloakroom and to the left is a door leading through to the sitting room.

The sitting room has a dual aspect allowing for plenty of natural light. A stone fireplace with a tiled hearth and a log effect gas stove creates a focal point for the room. The room is currently arranged with a sitting area to one end and a dining area to the other. From the sitting room stairs rise to the first floor.

The kitchen has a variety of cream floor and wall mounted units. Integrated appliances include a gas hob, electric oven, microwave and fridge/freezer. There is space and plumbing for a washing machine.

Upstairs there are two comfortable double bedrooms and a

bathroom with a white suite comprising a shower, W/C, hand wash basin and heated towel rail. Off the landing is a good-sized airing cupboard and loft hatch with ladder. The loft is fully boarded with a Velux window, power and light and used as an occasional bedroom.

## OUTSIDE

The garden is found immediately in front of the property and is currently arranged with ease of maintenance in mind. It is laid to paving with raised bed borders with plenty of attractive flowers and plants. Trellis provides privacy and an archway frames the garden gate. There is ample space for a table and chairs. Just beyond the garden are two off road parking spaces.

## SITUATION

A short walk to the sea and forming part of the popular coastal village of Chideock. Chideock is a popular West Dorset village, being just under a mile from Seatown and the renowned Jurassic coastline and Lyme Bay.
