THE DWELLING

A substantial five bedroom detached home situated in a popular cul-de-sac close to the riverside walk into town and the seafront. The property boasts a beautifully landscaped garden, a double garage and ample off road parking.

ACCOMMODATION

The property is traditionally arranged around a bright and spacious entrance hall with a cloakroom. The double aspect living room has a focal point of a fireplace equipped with a gas fire and French doors that open out to the rear garden. The kitchen/breakfast room is fitted with a comprehensive range of wall and base units with integrated appliances and a utility room adjacent. There is also a dining room to the ground floor which could be altered to create a generous kitchen diner.

On the first floor are three bedrooms, two of which are generous doubles and both having modern en-suite facilities. The third bedroom is a single and is served by a family bathroom. On the second floor are two further dual aspect double bedrooms

OUTSIDE

The property has a well landscaped rear garden which is predominantly laid to lawn with a paved terrace to the side, an ideal space for al fresco dining. To the front is a double garage with eaves storage, power and light. A driveway provides ample off street parking.

SITUATION

Lyme Regis is a popular and picturesque coastal town noted for its attractive period buildings, the famous centuries-old Cobb and harbour, and the beautiful surrounding countryside. In the town is an excellent selection of facilities including schools, many independent shops, supermarkets and a number of restaurants and hotels, together with a theatre and various museums.

A short walk from the High Street is the award-winning sandy beach, ideal for families; the harbour for angling and boating and access to the South West Coastal Path extending some 650 miles. The Jurassic coastline is a World Heritage site and the area is famous for its many fossil finds. There is a mainline rail station at Axminster and road access to Exeter and Dorchester.

SERVICES

Mains gas, electricity, water and drainage.

Broadband - Ultrafast speed is available.

Mobile - Indoor coverage is mostly limited whereas outdoors is overall likely.
