THE DWELLING

Situated in the peaceful village of Puncknowle, this three-bedroom bungalow enjoys far reaching countryside views over the Bride Valley. The property has been extended over the years and provides generous accommodation but is now in need of light refurbishment throughout.

ACCOMMODATION

The kitchen/dining room spans much of the full width of the bungalow, with the kitchen to one end and dining area to the other. The kitchen is fitted with a comprehensive range of wall and base units, with an integrated electric double oven, gas hob, fridge freezer and space for additional appliances. This opens into a generously proportioned living room, with bi-folding doors onto the rear garden.

There are three double bedrooms, all enjoying the far-reaching country views with the principal bedroom benefitting from double doors onto a terrace. These are served by a shower room.

OUTSIDE

To the front of the property there is a driveway and a small area of lawn, with a terrace from which to enjoy the views. To the rear, the south facing garden has a decked area adjoining the property, with an area of lawn and a useful storage space to the side.

SITUATION

Puncknowle is situated in the sought-after Bride Valley, and has an active community with public house, village hall and church. Within the Bride Valley there are several local groups and activities and the sea is just over a mile away. The village is in the West Dorset AONB and there are good walks from the village in the surrounding countryside. Bridport is approximately 6 miles away along the scenic coast road, and is a bustling and vibrant market town. It has a variety of independent shops, supermarkets, public houses and restaurants catering for a range of tastes and excellent arts and music events.
