THE DWELLING

This property is believed to have been built in the year 2000 behind the main shopping street of Lyme Regis. The beauty of this property is clearly its position, tucked away from passing traffic in a quiet backwater yet within 50 m of the main shopping street and just a short walk to the beach. The age of the property is also a huge advantage in comparison to its Grade II Listed neighbours, being just over 20 years old giving the insulation qualities one would expect of a property of this age. This really is a hidden gem.

ACCOMMODATION

The property is arranged with an attractive sitting room centred on an imposing brick fireplace to the front of the property, with a window looking out onto the garden to one side and an archway through to the kitchen/dining room to the other. The kitchen/dining room has a galley-style kitchen to one side, equipped with a comprehensive range of floor mounted units and cupboards with space for a gas cooker, a fridge, a washing machine and a tumble dryer. To the other side there is a dining area with space for a substantial dining table, beyond which a door leads through to the conservatory which is laid to a quarry tiled floor and has doors out onto a courtyard area behind. On the ground floor there is a bedroom to the rear with its own shower and behind the hallway there is a cloakroom.

Upstairs there are two bedrooms, each of which has an ensuite bathroom, the principal of which also has double doors out onto a balcony that overlooks the garden to the front.

OUTSIDE

The property is approached through a wide passageway underneath the building that fronts the building that has in the past year has been used

as a shop and also provides access to the flat above. To the end of the passageway a door leads through to a walled garden laid to lawn, centred around a lovely Magnolia, edged by herbaceous and shrub planting. To the rear of the property there is a second courtyard garden that has space for a table and chairs.

SITUATION

Lyme Regis is a most popular and picturesque coastal town noted for its attractive period buildings, the famous centuries-old Cobb and harbour. In the town is an excellent selection of facilities including many independent shops, supermarkets and a number of restaurants and hotels, together with a theatre and various museums. A short walk from the high street is the charming award-winning sandy beach, ideal for families; the harbour, popular with anglers and those keen on deep sea fishing trips; the sailing and power boat clubs. The nearby market town of Axminster provides a good range of day to day amenities, as well as a vibrant market every Thursday and a mainline train service to London Waterloo.
