## THE DWELLING

This property is all about views. Situated in an elevated position, the property enjoys wonderful panoramic views over the Char Valley and towards Golden Cap to the sea. Add to that a generous plot with predominantly south facing gardens, a garage with a separate workshop and a driveway providing ample parking, this property is the full package.

## ACCOMODATION

The principal rooms all face south, with large windows overlooking the garden and taking in the wonderful views beyond. The modern kitchen is to one side, and is fitted with a comprehensive range of wall and base units with an integrated electric double oven, induction hob, dishwasher, washing machine and space for a fridge freezer and a breakfast table. French doors open onto a small raised balcony enjoying views towards the Char Valley. The living room has a focal point of a wood burning stove and steps into a conservatory which takes in much of the panoramic views. Adjacent to the living room is a formal dining room, which could be utilised as a study or a fourth bedroom if required.

To the other end of the property are the three bedrooms, all of which are doubles. The principal bedroom is particularly spacious, with a large picture window taking in

the views and with a door out onto the paved terrace. There is a family bathroom equipped with a bath and separate shower, and to the other end of the spacious hallway there is an additional shower room.

## OUTSIDE

The gardens are a particular feature of the property and would suit a keen gardener, with both vegetable and fruit areas, a greenhouse, a shed, a well and large areas of lawn bordered with mature shrubs and plants. Adjoining the southern side of the bungalow is a paved terrace, taking in the wonderful countryside views. There is a detached single garage with power and light, with a separate workshop behind. A driveway provides ample parking and a turning area. On the other side of the lane is a small area of woodland that is included in the sale.

## SITUATION

The property lies in the village of Morcombelake, which has a well stocked farm shop. The sea is accessible at Chideock and Charmouth, with walking along the coast path. The market town of Bridport lies approximately 4 miles to the East. Bridport has a history of rope-making and is now a gateway to the Jurassic World Heritage coastline at nearby West Bay. It has a variety of independent shops, supermarkets, public houses and restaurants catering for a range of tastes and excellent arts and music events.

Bridport is conveniently placed for Dorchester and Weymouth to the east and Axminster to the west. Walking, water sports and riding opportunities are plentiful in the area. Communication links are good with road links along the A35 and mainline stations at Maiden Newton and Axminster. Charmouth and Lyme Regis are also just a short motoring distance away.
