Weymouth is a picturesque seaside town located midway along the stunning Jurassic Coast, a UNESCO World Heritage Site, and lies just seven miles south of the historic county town of Dorchester. Renowned for its golden sandy beaches, traditional promenade, and vibrant harbour. In 2012, the town gained recognition as the host of the sailing events for the London Olympics, alongside neighbouring Portland, resulting in improved transport links, including the construction of a relief road and an extensive network of cycle paths. The town offers a wide range of amenities, from independent shops and restaurants to leisure facilities and healthcare services, as well as a selection of schools.

Upon entering this impressive property, you're instantly taken through to the welcoming hallway that effortlessly leads to the majority of principal rooms.
