41 Kennington Road

An extended, handsome, semi detached family home, well situated in this highly sought after and well serviced Oxfordshire village

41 Kennington Road is situated in a desirable non-estate location. Kennington offers a good variety of shops, general store, post office and chemist, public house, St Swithun's primary school and local church. Regular buses run to and from the village to Oxford City Centre (circa. 2.4 miles), Abingdon and surrounding towns and villages, various accesses to the A40 at junctions 8 and 9 and the M4 at junction 13 at Newbury. Didcot Railway station provides direct links to London, Paddington for commuters. Properties such as this rarely become available and we would strongly recommend an initial viewing to appreciate the overall accommodation on offer.
