Hodsons are pleased to present this superb three-bedroom detached home, enjoying a private position on the edge of Great Western Park and overlooking open green space.

Constructed by Taylor Wimpey in 2018 to the popular Easedale design, this modern double-fronted property offers stylish, energy-efficient living with the benefit of the remaining NHBC guarantee and a closed onward chain.

The welcoming entrance hall with cloakroom leads into a stunning open-plan kitchen and dining area, enhanced by double-aspect windows that create a bright and airy atmosphere. The kitchen features integrated appliances and generous space for dining and entertaining. The spacious living room provides a comfortable setting with French doors opening onto a secluded rear garden.

Upstairs, there are three well-proportioned bedrooms, including a stylish en-suite to the principal bedroom, and a modern family bathroom.

Outside, the property benefits from driveway parking, a garage with courtesy door access, and a private, enclosed rear garden, ideal for relaxing or outdoor dining.

Great Western Park offers modern living in a thoughtfully arranged, community-centred environment. With excellent transport, good schools, ample leisure spaces, and on-site services, it suits families, professionals, and commuters looking for a self-sufficient yet well-connected neighbourhood. A compelling choice for anyone drawn to a fresh, inclusive place—including those who love new-build homes, open space, and easy access to London and Oxford.
