Queens Walk, London, NW9 8ES

Finchleys Estates are delighted to present to the market this rarely available newly developed 4/5 bedroom house boasting all modern amenities and conveniences.

To the inside, the property benefits from being uniquely large and includes 4/5 bedrooms, a large double reception room, eat-in kitchen with separate utility room, a wonderful roof terrace as well as benefiting from a brick built outhouse fully equipped with bathroom and storage.

Further benefits include solar control built in blinds within triple glazed windows, underfloor heating with zone separation, air conditioning appliances operating through Wi-Fi as well as built in Bluetooth.

The property boasts a 10 year structural warranty with gated off street parking as well as fully fitted security systems.
