THE SPACE

Pink Mews is a luxury gated mews development which inherits its name from the mews' original use for dyeing fabrics for the Royal Hunter's tailcoats known as "hunting pinks".

This stunning one bed first floor apartment has been beautifully designed boasting a spacious dual aspect living space which flows seamlessly into high spec open-plan kitchen and dining area. The spacious bedroom has been designed for comfort, with an en-suite shower room, separate from the guest cloakroom located in the hall. Our client has equipped the apartment with built-in (Sonos) audio systems, as well as panel controlled underfloor heating, lighting and air-conditioning, very much defining the apartment as a "Smart Home".

Residents of this quiet mews also benefit from a personal concierge service available 24 hours.
