Located just a short walk from South Side Beach in the peaceful area of Wilsthorpe, Bridlington, this largest detached chalet in the park offers exceptional space and comfort. Originally two chalets, this property has been converted into one large home.

The spacious living room is filled with natural light, featuring a top-of-the-range Haverland wall-mounted heater, and provides ample space for dining and relaxation. The living room flows into a cosy snug, perfect for a quiet retreat or playroom. The well-designed kitchen includes an integrated oven and hob, dishwasher, and plenty of cupboard space, along with room for a dining table.

There are three well-sized bedrooms, and both bathrooms are modern with three-piece suites including a shower, W/C, and sink. The chalet also boasts a private rear garden and enclosed side patio area, offering a rare level of privacy in this park. Private parking for two cars is provided at the side of the chalet.

This property is dog-friendly with a beach open to pets all year round and is open 52 weeks a year. Renting is permitted, and the chalet can generate between £90 and £150 per night, sleeping up to 6 people. All residents can access facilities at Maki's, and the property benefits from all new flooring and carpets throughout, as well as electric wall-mounted heaters.

Additionally, the chalet comes with a 62-year lease remaining, offering long-term security. With its spacious layout, private garden, and fantastic location, this chalet presents a great opportunity for a holiday home or investment.
